SCHOOLS CLOSE; RECREATION BEGINS IN SUPERVISED PROGRAMS FOR PUPILS

School's out! Pupils of Campbell Union School District, and their teachers, stacked readers and arithmetic books on storeroom shelves, erased the boards and closed the classroom doors behind them for the summer.

Eighth grade classes at Campbell Grammar School brought their year to a close with graduation ceremonies Wednesday and Thursday nights. The class of 214 was the largest in the history of the school. Superintendent William C. Henley pointed out to members and the audience, however, that even this class will be dwarfed by those coming up through the grades. At present the district has 10 first grades.

While many teachers and pupils were discussing plans for Summer trips, Directors Neal Royer and Dick Gordon of the summer recreation program and summer music school made final plans for youngsters who will be spending a good part of the summer in the area.

Royer says that all swimming classes are full with enrollment at 250. Signup for the other classes of the recreation program will be taken July 9 when the general recreation program begins

He expressed appreciation for response of interested parents who have volunteered to help the program.

Dick Gordon, director of the summer music school, reported a much heavier enrollment than at this time last year. The music school is sponsored partly by the recreation program and the school district. To make up additional costs, a nominal fee is charged for the seven-week course Music and instructional materials are furnished, and instruments are furnished to beginners.

As some classes have a limited registration, Gordon has asked that interested parents enroll children as soon as possible. The Campbell Grammar School office and administration offices of the school district wil be open for registration after school closes. Summer music school starts July 9.

Campbell Lions Hear District Deputy Governor

District Deputy Governor Joseph R. Territo of Redwood City was guest speaker at the Campbell Lions Club meeting Tuesday evening. Territo spoke on the history of the Lions organization and its importance to the community. President L. L. Dodson presided.

"To a Lion there is no substitute for usefulness in the community," the official commented Territo predicted a useful future for the newly formed Campbell organization.

Next meeting will be on Tuesday, June 26.

Dollar Diplomacy Is Subject For Rotary Speaker

Campbell Rotarians will have a club assembly next Monday, June 19, at 8 p.m., replacing their regular noon meeting.

At the Rotary luncheon session Monday of this week, Doug Beatty, secretary of the newly-formed Campbell Lions Club was a guest.

Lloyd Grabiel, vice-president of the American Trust Company, San Francisco office, gave the principal address of the day, speaking on "Dollar Diplomacy."

Starting with the turn of the century, Grabiel traced developmens from the time when considerable European investments were being made in this country during the early 1900s, to the present situation in which the United States through heavy financial aid to the western world, is wondering how much further it should extend itself financially in Europe.

After World War 1, which cost 80 billion dollars, the United States assumed the role of creditor to a good portion of the globe, a role which brought little financial return. The poorly written Versailles Treaty and abandonment of stabilizing factors such as the gold standard, led directly into World War II, said Grabiel.

Worold War II, with a bill of World War II, with a bill of by both a tremendous upsurge in communist influence, sided by the great drought in Europe in 1947, and the birth of the United Nations.

The United Nations, he said, is based on the one-world precept, yet today, the world is divided into two worlds, one dominated by Russia, and the other by the United States.

Grabiel said a "revoluion by treaty," for United Nations treaties, in which this country has little voice, supersede U. S. federal and state laws.

In closing, the banking official, posed the question, "How far can we go financially in aiding the rest of the world."

Travel Films

Pictures of their trip to Mexico were exhibited by Mr. and Mrs. Ralph Hyde at the Campbell Kiwanis Club meeting Tuesday noon President Fred Jones conducted the session.

Merchants Support Chamber Project For Remodeling Of Office Building

Names of more firms were added this week to the growing list of contributors of materials to remodeling of the Campbell Chamber of Commerce at 19 S First Street.

Remodeling is already underway, and the interior is ready for installation of sheetrock. Painting will begin next week. Floor work starts today. Installation of a lawn sprinkler system, donated by Campbell Water Company, began yesterday.

Besides the water company, other firms and individuals who have been added to the list published last week are: Hunt Foods, Inc., spray painting, Accardi's heater; House of Carpets, linoleum floor covering; Ben Strong, interior decorating; Nelson Grain and Supply, paint; Carl Bohnett and G. E. Jeffers, cash donations; Nelson Electric, electric work.

The chamber hopes to occupy the rustic bungalow type building within 30 days The 18x22 foot floor area will include general office area and a conference room, plus lavatory, Chamber President J. J. Payne has announced.

Although most of the necessary materials have been volunteered by local merchants, there is still a need for more donations of labor Anyone willing to donate a few hours of time to the project is asked to phone Payne, Campbell 3349, or Secretary-manager Forrest Reese, Campbell 3303.

After remodeling has been completed, Payne said, there will be a need for general interior furnishings, including chairs. Contributions are invited.

EDITORIAL

State Assemblymen have passed the bill to either force urban unincorporated areas to annex to nearby cities or pay a substantial increase in taxes for municipal services. The vote was 46 to 14 in favor of the bill submitted by Assemblyman A. I. Stewart of Pasadena, and supported by the League of California Cities. The bill did not go to the Senate.

In his weekly letter, Assemblyman Charles S. Gubser doubted whether the Legislature would enact the bill into law at this session, stating that it probably will be referred to an interim committee for future study. Assemblyman Vincent Thomas of San Pedro has given notice that he will ask for reconsideration of the bill which is opposed by the County Supervisors Association.

This is one of the bills discussed in an editorial two months ago, which may well force the community of Campbell to annex to San Jose or Santa Clara. Should this community be declared an urban unincorporated area, under the terms of the bill, it would be mandatory upon the supervisors to deny any municipal type service to the area unless all costs of such services are paid by the areas served, instead of a small portion as is now the case.

What is Campbell doing about it? Last week L. W. Harmon, local realtor, agreed to serve as temporary coordinator for the purpose of receiving and compiling reports on how the Campbell citizens feel about incorporation and self-government. To date about 70 persons have notified him of their views. Contrary to expectations the opinions were 100 percent in favor of incorporation. "At least one third of those people told me they had been opposed to incorporation in past years," he adds.

Many of those who spoke to Harmon suggested that a broader sampling of public opinion be obtained. To this suggestion, Harmon has reacted by preparing to take a straw vote by mail. Letters will be sent out early next week, he said, asking the people of Campbell to indicate whether or not they want self-government or want to wait a few months for annexation to one of the neighboring cities.

"I am willing to be guided by the wishes of the majority," the insurance broker stated, "and am doing this in the best interests of the community and at the request of representative citizens."

Enclosed with the letter will be a sample ballot asking the opinion of the residents, for or against incorporation. A return-addressed envelope will be included.

Harmon said all votes will be kept confidential. No names will be released to the public or press, only the final total number of those for and against the issue. Should the majority favor incorporation, a public meeting will be called, he said, to talk over the next move.

If the majority opposes the idea of incorporation, we will drop the whole matter, he concluded.

The rest is up to the community. Each resident is urged to express his sincere opinion in the straw balloting.

VFW Post, Auxiliary Name Delegates To State Convention In Santa Cruz

Delegates to the 1951 Department of California, Veterans of Foreign Wars convention from Lt. Byron C. Lanphear Post 6305 of Campbell are preparing for four full days of activity at Santa Cruz, June 24 to 27.

Those who will represent the local post are Commander Charles A. Chubb, Frank A. Scott, Ralph E. Kallam and Leslie Kerr. Alternates will be William A. Phelan, A. L. Lord and Jerry Herrera. For the auxiliary the delegates are President Frances McCurdy, Past President Ona Chubb and Rosemary DeMotte. Alternates are Fern Kallam and Bertha Barnett. Many other members are planning to attend various sessions and events of the convention.

The joint opening session on Sunday, June 24, in the Civic Auditorium will hear the welcome address of Mayor George N. Penniman. Federal, state and county notables will be introduced. With its color and pageantry this opening ceremony is topped for beauty and ritual only by the annual joint memorial service for those who have died during the year. The Rev. Jerome J. Sullivan, department chaplain, will preside at the service Sunday at 8 p.m.

Business sessions will occupy most delegates during the daytime hours of June 25 through 27, with officers' reports, award presentations, resolutions, speeches and elections for the coming official year.

Annual Parade

A highlight of the convention will be the annual parade June 25 at 7 p.m., beginning at the Civic Auditorium.

Main social event will be the encampment banquet at 6:30 p.m. June 26 at Casa del Rey, honoring Department Commander Don L. Warner and Department Auxiliary President Hazel Schilke. This will be followed by the grand military ball at 9 o'clock.

Encampment general chairman George Bertolucci of Santa Clara reports that reservations indicate the largest attendance in years. He has scheduled a host of official and unofficial activities which he says should make the 1951 encampment the best in deprtment history.

The encampment of the Military Order of the Cootie, fun organization of the VFW, will preceed the parent organization's session on Saturday, June 23, and will coincide with the Cootiette conclave.

First Birthday

Final arrangements for the Campbell post and auxiliary delegates will be made at the regular meeting on Tuesday, June 19, which also marks the first birthdays of both groups. A huge birthday cake is being prepared for the event. Guests will be 12th District Commander Ed. Wetterstrom and 12th District President Alyce Renner, during whose successful terms the Campbell post and auxiliary were instituted on June 17, 1950. Dancing will be the order of the evening at the close of the meeting.

THE BURBANK STORY—

COMMUNITY'S STRUGGLE FOR SELF-DETERMINATION CONSTANTLY BALKED BY SAN JOSE ANNEXATION PLANS

Sgt. Jack Webb Receives Final Military Rites

Sgt Jack Webb Jr., 22, U. S. Army, who was killed in a motorcycle accident May 15 in Germany

Sgt. Jack Webb

was given final military services yesterday at 2 p. m. in rites at Krug Memorial Chapel, Campbell. Interment was at Los Gatos Cemetery.

Webb, son of Mrs. Lillian Webb of 229 Grant Street, Campbell, had lived in Campbell since he was seven years old. He enlisted in the Army in 1946. The Army sergeant was a native of Michigan. He attended Campbell schools and was a member of the Boy Scouts here and the National Guard.

He was the brother of Bobby Webb and Monty Grimn of Campbell; grandson of Hester Griffen of Wilmington and Mrs. Minerva Shelton of Campbell; nephew of Grady Shelton and Cleo Shelton of Campbell, Theo Shelton of Saratoga, Tony Shelton of Tacoma, Washington, Curley Wolfenbarger of Salinas, Pauline Alemada of Modesto and Genevieve Barnacarso of Santa Clara.

HEALTH, SAFETY TO BE TOPIC OF BPWC MEETING

Health and safety will be the topic of the June 27 meeting of Campbell Business and Professional Women's Club. The dinner meeting will be held in the Congregational Church. Chairman Mae Greaves of the health and safety committee will be in charge of the program. A half hour movie will be shown.

President Dorothy Ellis conducted the June 13 meeting of the club during which reports were given by the committee chairman on their plans for the year.

Club members voted to present a $100 scholarship each year to a deserving graduating girl of the local high school to help her further her education. The scholarship will be administered by the education committee and board of directors.

Heads College Alumni Group

Emerson Arends, 25, co-partner in the Campbell and Orchard City Lumber companies, has been elected president of the San Jose State College Alumni Association for the coming year.

Doc Arends graduated with honors with the class of 1948. During his student days at State he was president of the San Jose Players, director of the 1947 Revelries, student body president 1947-48, and held membership in Spartan Knights and Spartan Shields. He was affiliated with Sigma Alpha Episilon fraternity and was a member of the original Spar-Ten committee.

Arends majored in speech at college and participated in a number of speech and drama department productions.

He is an active member of the Campbell Rotary Club.

BURBANK STORY COULD BE PREVIEW OF 'THINGS TO COME' IN CAMPBELL STORY

(Following is the story about the Santa Clara annexation moves which hasn't been published in San Jose newspapers for obvious reasons. Campbell residents would do well to study this factual account of the background and reasons for the strip annexations, not only to gain a true picture of the situation, but to understand why local residents who have known these facts from the beginning are concerned about possibility that Campbell may be forced to annex to San Jose through such strong arm tactics as were employed in Burbank—Ed.)

By WADE BRUMMAL, Secretary-manager
Beverly-Burbank Chamber of Commerce

For thirty years the Burbank district has violently resisted annexation to the City of San Jose. Some seven attempts at annexation have either been checked at the polls or before prononents could raise sufficient support to hold an election.

The real revolt against San Jose's westward expansion began in 1925 with the formation of the Burbank Volunteer Fire Department. This group has always been a key force in building up a spirit of independence on the westside.

A poor conception of public relations on the part of San Jose's officials has constantly swelled this spirit of resistance. The very birth of the Burbank fire department came about as a consequence of San Jose's refusal to help put out a borderline fire which destroyed a two-story store building on West San Carlos.

This refusal of assistance came at the very time that annexation petitions to San Jose were being circulated and so infuriated the proponents of annexation that they dropped their annexation campaign.

In the intervening years, San Jose officials have continued their "big stick" policy. They have ordered their fire department not to help on Burbank fires. They have threatened to cut off Burbank sewers. They have charged some unfortunate property owners as much as $60 a year for a sewer connection. They have attempted to take Moorpark School away from seventy-five percent of the pupils using it.

Not long ago, the San Jose City Council was reported in the San Jose newspapers to have debated the strategy of annexing Stevens Creek Road. This it failed to do, although it did annex the south half of Pruneridge Avenue to its dead-end beyond the Santa Clara-Saratoga road.

Encirclement

This section was intended to forever cut the Burbank area off from the City of Santa Clara although Burbank residents had long planned on eventualy linking their community to Santa Clara. Such a link was proposed along Bascom Avenue, but San Jose jumped the gun and ran its city limits to Winchester Road.

After San Jose had taken the Kaiser Tract across Bascom Avenue, Burbank leaders began to realize that incorporation was their only effective means of remaining out of San Jose.

But once again San Jose was on the initiative. Before the Burbank community was fully aware of what was taking place, San Jose annexed Menker and Mayellen Avenues and split the Burbank Fire District with its nine million dollar assessed valuation in two parts. No longer was the Sunol and the east Burbank area along Buena Vista Avenue a part of the Burbank community.

Killed By Split

San Jose had succeeded in killing the incorporation of Burbank by splitting its school, fire and sanitary districts. Once again the only choice for Burbank residents was San Jose or Santa Clara.

The latter city offered Burbank a larger voice in civic government. Their voters would be outnumbered 2 to 1 instead of 20 to 1 as in San Jose.

In Santa Clara the volunteer fire department could continue to operate as it has done for 26 years.

However, the time for action was short. San Jose's next addition to Bascom Gardens' Subdivision would bring that city to the north side of Stevens Creek Road. Annexation of Bradley Manor would then transform the heart of the Burbank area into an island within the San Jose City limits.

Fortunately for Burbank, an election in Santa Clara placed a majority of trustees in power who were not under the influence or dictation of the City of San Jose.

These men agreed to run a lifeline to Burbank at the expense of heaping San Jose newspaper vilification upon themselves.

In order to prevent retaliation by San Jose, they annexed all roads that the latter city could possibly use in subsequent attempts to surround Santa Clara.

When Campbell and Los Gatos protested, they jumped back to Williams Road. From this line they also intend to retreat in order not to surround the Cypress Ave. school site.

Annexation Lever

The Santa Clara trustees are attempting to use their road annexation as a lever to get San Jose to drop Pruneridge Avenue. If they succeed, it will be possible to run a new line to Burbank down Winchester Road from Pruneridge and along Stevens Creek Road to the Burbank school district. Should this attempt fail, Santa Clara must try to hold a line along Stevens Creek Road from Lawrence Road to Burbank in order to get around Pruneridge Avenue.

Neither of these lines will affect the Cypress School site and the homes north of Stevens Creek Road will continue to remain in both the Campbell School District and the Burbank Fire District.

The Santa Clara trustees who have initiated the road annexations have all informed the writer that all roads will be dropped except the bare essentials necessary to get to Burbank.

At the time of this writing, all legal protests have been studied by the Santa Clara city attorney and they represent a small minority of property owners involved although they are strong in certain areas such as Laswell Avenue, Marco Avenue and Stevens Creek Road between the Santa Clara-Saratoga Road and Winchester Road.

In the Burbank School District itself, there were only 86 legitimate protests in more than 1100 parcels of land. These were mostly on Clifton and Rutland Avenues.

Protect School District

Nevertheless, Campbell residents can rest assured that all roads south of Stevens Creek will be dropped and that Burbank's possible annexation to Santa Clara will in the long run protect the northern boundaries of the Campbell School District.

These roads would have been dropped last Monday evening if San Jose officials would have guaranteed not to annex them or areas along them for a period of one year. This the San Jose delegation in Sacramento refused to do at the compromise meeting before the State Legilsature last Friday. They also refused to drop Pruneridge Avenue and allow Santa Clara to run a short line to Burbank.

Electorate Okays 30c Tax Hike In School District

Voters in the Campbell Union School District approved a .30c hike in the district tax rate Tuesday by a vote of 725 to 278. The boost is from .90c per $100 of assessed valuation to $1.20.

The increase will be used to raise teachers' salaries as well as those of non-teachers employed by the district.

Revised salary schedule under the new tax raise will go into effect in September, the district superintendent's office has announced. Minimum rate will be $3000 per year with $100 increment per year. Maximum rate will be $4000, for schoolroom teachers.

CARL MONROE EDMONDS WEDS PATRICIA C. STRAIN IN LOS ALTOS BAPTIST RITES

Carl Monroe Edmonds of Campbell claimed Patricia Cowan Strain as his bride in afternoon wedding rites performed Sunday at the First Baptist Church of Los Altos. The bride is the daughter of Mr. and Mrs. S. K. Strain of Los Altos. The Rev. Max Weniger officiated at the 1:30 ceremony. The bride wore a wedding gown of satin and net. A matching sweetheart cap trimmed in seed pearls held her fingertip veil. She carried a white Bible with orchid marker and streamers of bouvardia. For her "something old" she carried a handkerchief of queen's lace which has been a family heirloom for 300 years.

Mrs. James Manley, her sister's honor attendant, wore an aqua gown of taffeta and net and carried miniature rosebuds.

Bridesmaids were Bonnie Bergman of Los Altos and Alba Silveria of Mountain View, who wore yellow and lilac taffeta and net dresses, respectively. They carried rosebuds and wore crowns of rosebuds.

Nick Nichols was the best man. Ushers were Elwin Edmonds, brother of the bridegroom, and James Manley, brother-in-law of the bride

The wedding reception was held at Los Altos Scout hall, where Mrs. Strain received in a navy suit with matching and white accessories and white orchid corsage. Mrs. Monroe Edmonds of Campbell, mother of the bridegroom, wore a medium blue ensemble, and orchid corsage.

After their honeymoon, the newlyweds will make their home in Los Altos.

For her going away ensemble the bride wore a lilac suit with white accessories.

The bridegroom, son of Mr. and Mrs. Monroe Edmonds of Campbell, is assigned to a national guard unit and will leave soon for several weeks of duty with the unit.

One of the models for the Hawaiian Holiday fashion show held last week by Campbell Community Club, exhibits a sun dress styled with bolero. The style tea, presented in the library hall, drew an apperciative audience, and the sponsors have expressed thanks to the community for its support. "We have had an opportunity to acquaint the people of Campbell with our club and to show what we can do," said one club member.

The GRAB BAG

By JIM McIVER

THE GRAB BAG ELEPHANT BOY

Remember that old fable about the blind men and the elephant? Seems like they each touched a different part of the animal and came up with entirely different ideas. Anyhow, we thought you folks might like to hear the story sort of brought up to date. So here goes . . .

Once upon a time there was (and still is) a big elephant called OPS. His trainer was a boy known as Mike DeSalle. Several blind men who had purchased the animal, came one day to check up and decide whether it was worth keeping.

First, Mr. Farmer stepped up. As he touched the OPS elephant he said, "Not so good. Methinks we can't make a profit on the deal. Take him away Mr. DeSalle!"

Then Mr. Big Packer (alias Will Cudaswift)) touched the elephant. "No good," he said. "Methinks he's a most unprofitable beast. His regulations make us buy at a set price. We can't make money even if meat is scarce. Take him away Mr. DeSalle."

Next came Mr. Small Packer. He touched the OPS elephant, backed away in a hurry. "Methinks this beast brings nothing but trouble," he commented. "He's muddled things so I can't buy meat except right near home—and that doesn't give me nearly enough. That's why I have that long list of unhappy retailers I can't supply. No, Mr. DeSalle, take him away."

Mr. Jobber stepped up next and somehow got the elephant's tail around his neck. "Look out!" he shouted. "This brute's got a noose on my neck already. Methinks I'd better cut down on my volume and be a plenty sharp businessman. Get him out of here Mr. DeSalle."

When it was Mr. Retailer's turn, he walked all around the elephant and commented, "Much too big. He eats too much of my profit. Methinks that's why I'm starving to death right now. Dispose of the critter Mr. DeSalle."

"Ouch!" exclaimed Mr. Consumer, backing away. "Methinks the OPS elephant is awful big and maybe a little White. He promised to ease my burden but just stepped on my toes. Please take him away quick, Mr. DeSalle."

And that's how we finally came to the amazing conclusion that OPS critics, like lots of others, have just one point of view (their own).

There may even be a moral to the story, too. It seems that, whether it's an elephant or OPS regulations, blind men or meat men, something must be wrong with a system that doesn't please anybody.

Right now it sure looks like a White Elephant to us. What's more we're right sorry for "trainer" DeSalle and the first class set of ulcers he's getting.

FROZEN FOOD WAR OVER!

Yes, folks, it's all over now! When that No. 1 Nationally Advertised Brand was down to 16c a package, we advised you to really stock up. It was sure a good break. But now the price is back up again. Fact is, the wholesale price is higher now than the retail price was a week ago.

Just got a flash from a man way upstairs in the Frozen Food industry. Due to those big quantity purchases, Western is once again one of the few firms able to sell first quality brands at only 19c. Better come on down and get a supply.

DATE SET FOR BIG SURPRISE

At last we can definitely set the date for you folks. It's this Saturday, June 16. Watch the papers for our announcement!

ST. LUCY CLUB INSTALLS NEW OFFICER SLATE

St. Lucy's Women's Club held its final meeting on Thursday of last week in the rumpus room at the home of Mrs. Fred Smith on San Tomas Road. Annual reports were read, and showed that the club has made commendable progress during the year.

The panel of officers installed to lead the club for the next year includes: Mrs. J.F. Levenberg, president; Mrs. Clyde Gray, vice-president; Mrs. Louis Bogner, secretary; Mrs. Art Wagner, treasurer; Mrs. John Perata, historian; Mrs. Stephen Ridgely Sr., mistress of ceremonies; Mrs. Ralph Nelson, parliamentarian.

Many new members had been added to the club list during the year, but the club lost one of its charter members, Mrs. Manuel Santos.

Mrs. Antone Ferro, cancer pad chairman, reported sending over 200 cancer pads again this month to the Hospital of the Antoines, home for incurable cancer patients.

Plans were made to attend the anniversary mass June 13, honoring the silver jubilee of Rev. Dennis Kennelly, pastor of St. Lucy's.

Ice cream, cake and punch were served during the social hour by the hostesses, Mesdames, Joe Furtado, Elmer Jones and Fred Smith.

Darlene Atkinson Becomes Bride Of Harry Lester Eidschun

Two Campbell Union High school graduates, Darlene Atkinson and Harry Lester Eidschun, were married recently at the Westside Nazarene Chapel by BBishop Boyd H. Pulley.

The bride was given in marriage by her father, Mr. F. M. Atkinson of Los Gatos. She wore a gown of French marquisette and lace over satin, styled with hoop skirt. Her bouquet was of white roses, lilies of the valley and an orchid.

Miss Marie Kendall, the honor attendant, wore a mint green taffeta gown with matching picture hat trimmed with lace. She carried a bouquet of orchid carnations with green ribbon streamers.

The bridesmaids, Mrs. Carol Merrill and Miss Beverley Prochet, wore gowns of orchid satin styled like that of the maid of honor, and carried bouquets of green carnations with orchid streamers.

Rudy Ricci attended the bridegroom. Ushers were Donald Merrill and Rick Richins. Trevor Clarke was the vocalist. Mrs. Leone Mortenson accompanied him.

Flower girl Sandra Atkinson, sister of the bride, wore a frock of white dotted swiss trimmed with pink ribbon. She carried a bouquet of sweetpeas.

Mrs. F. M Atkinson was attired in a teal blue suit with white accessories and corsage of orchids and roses. The bridegroom's mother, Mrs. William Eidschun of Campbell, wore a navy blue dress with white accessories and corsage of pink carnations.

The couple cut a four-tiered cake at the wedding reception in the church social hall. White and lavendar sweetpeas were used in the decor.

When the couple left on their Carmel honeymoon, the bride was wearing a black ensemble with white accessories and orchid corsage. The newlyweds have established their home in Los Gatos.

Outdoor Cooking For Cambrian Extension Group

Cambrian Home Extension Group will meet at Los Gatos Park next Wednesday, June 20, from 11 a. m. to 2 p. m. Theme of the meeting will be Outdoor Cooking. Project leaders are Mrs. George Petrea and Mrs. Fred O'Neil.

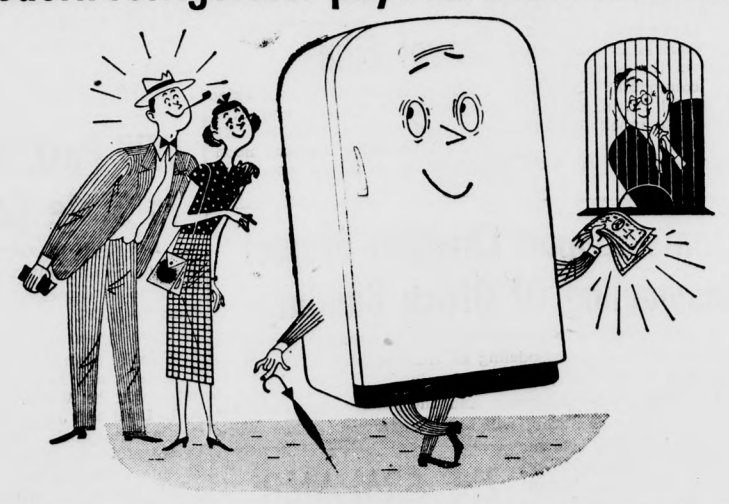
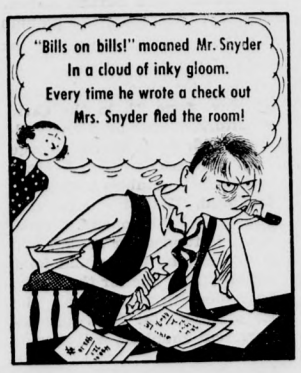
A modern refrigerator pays for itself in no time!





Snyders now own latest model;
Frozen foods have special chest.
Whole design is roomy, handsome.
Thrifty, too, which makes it BEST!

Folks, it's good business to own a modern refrigerator these days. The food you save means money saved. For instance, you save those extra-good leftovers . . . save daily trips to the store . . . save cash by buying in quantity at special prices. Best of all, a modern, roomy refrigerator, even with a frozen food locker, costs only pennies a day to operate . . . especially with P. G. and E. rates lower than in 1940! GARDEN CLUB TO HEAR TALK ON LANDSCAPE

Joseph Stevenson of San Jose State College will speak on "Landscaping of the Home" at the June 20 meeting of the Campbell Garden Club, in the library building.

Club members held their meeting last week in the Scoville Iris Garden, San Jose, with the president, Mrs. J. Norman Corvello, presiding. Mrs. Scoville gave an interesting lecture on iris culture and demonstrated methods of planting.

Mrs. J. A. Feasel and Mrs. Henry Blohn were welcomed as new members of the club. At the close of the meeting the members were guests of Mrs. Scoville for refreshments.

Mrs. Peter Heinzen and Mrs. Henry Parysek were first prize winners at the recent show held by the Iris Society. The Campbell Club also exhibited in the show, and participated in the recent "Home of Benevolence Day" at Hale's in San Jose.

Netops To Fete Ball Team At Potluck Supper

Final plans for the potluck dinner on June 22 at which the baseball team will be honored were discussed at the meeting of Netops Council 247, Degree of Pocahontas, in the Campbell IOOF Hall. Mrs. William Hindle, Pocahontas, presided.

Election of officers for the coming term was conducted. New officers are: Mrs. William Hindle, prophetess; Mrs. Harold O. Pawsey, Pocahontas; Mary Gray, Wenonah; Marguerite Shibbles, keeper of records; Ruth Livingston, musician, and Tommy Blackmun, Powhatan.

An old fashioned skit was presented by Vivian Johnson and Carmin Falco. Ruth and Neil Franzen, who are moving to the east, were presented a farewell gift. Mary Gray and her committee served refreshments at the close of the meeting.

Two Californians On Christian Science Board

Two Californians have been selected for membership on the Christian Science Board of Lectureship, it was learned here today.

Mrs. Emma Louise Garrett, San Francisco and Henry Allen Nichols of Los Angeles—both Christian Science practitioners—were named to the globe-girdling board of lecturers by the Christian Science Board of Directors.

The announcement was made in Boston where nearly 7500 Christian Scientists from all over the world assembled at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston.

Highlighting the Boston meeting was a special message from the Christian Science Board of Directors declaring that complete defense from disaster and destruction is available to all through the clear spiritual understanding of God.

The directors said the deepest laws of the universe are spiritual laws of harmony, and can be utilized for individual protection and also for the preservation of human freedom. They noted growing spiritual enlightment and said "great spiritual progress is bound to follow."

Several hundred Californians attended the meeting. Dr. Walton Hubbard of Los Angeles was chosen by the directors to read the annual report of Christian Science Charitable Institutions. George Channing of San Francisco was reappointed manager of committees on publication, top public relations post. Richard J. Davis of San Jose was named to another term as editor the weekly and monthly religious periodicals.

New president of The Mother Church for the coming year, it was announced, is Mrs. Lora C. Rathvon of Boston. In a ringing address Mrs. Rathvon said that never was the need more urgent to look beyond the material sense of life to "see man as God's spiritual idea". Forecasting greater spiritual achievements, she said "We are standing on the brink of a new era."

This theme was emphasized also by Walter S. Cross of Fitchburg, Mass., retiring president, who said the world is undergoing "the most profound and stirring revolution of all time."

"Materialism is being overturned. A profound ferment is at work," he said. He spoke of an open-minded, inquiring attitude in human thought toward religion "which presages a new era in Christianity."

Summer Carnival Slated June 23 By Los Gatos Post

The people who attend our annual American Legion carnival on Saturday, June 23, in Los Gatos, will have a chance to really bring home the bacon, Jack Horat, chairman of Post 158's group, has announced.

"Summer Harvest" is the keynote of the awards to be won by and old. Frozen chickens and rabbits, bacon and hams, eggs, coffee, and canned foods of all kinds will be taken away before the night is over.

The festivities will open Saturday afternoon with a children's pet parade beginning at 1 o'clock, and will continue until the food is gone, assured Chairman Horat. "Games of all kinds to test your skill and movies for the younger generation will make this a real treat for the whole family. We hope that many of our friends from Campbell will be able to come again this year, because we are going to have a good time", said Chairman Horat.

10 From Campbell Graduate From Apprenticeship

Santa Clara County's fifth annual Apprenticeship Completion ceremony, held Tuesday evening, June 12, in San Jose's Roosevelt Jr. High School auditorium, had young men participating.

The list of graduates includes: Gerald Garn, Clarence Thompson and Lloyd F. Wiman, carpenters; Regis Finkbeiner, accountant; Paul Ortega and Howard Ardrey, millmen; Carl Rakestraw, molder-coremaker; Richard L. Whitton, plasterer; James Madden, sheet metal worker, and Henry Daggett, glassworker, all of Campbell.

Dies In Oroville

Mrs. May Ellen Fallgatter, mother of Kane E. Fallgatter of Campbell, died June 10 in Oroville at the age of 74. She was a native of Hillsdale, Michigan.

Funeral services were held Wednesday, June 13, in San Jose, followed by requiem mass at St. Joseph's Church. Interment was at Santa Clara Catholic Cemetery.

Besides her son, Mrs. Fallgatter leaves a daughter, Bernice Edwards of Biggs, California, and five grandchildren.

Orchard Grange Confers Degrees

Six candidates were obligated in the first and second degrees at the Orchard City Grange meeting June 12 in the IOOF Hall. Grange Master George Shattuck presided. District Deputy M. E Standish obligated the candidates.

Mrs. Ruby Crow gave a report on taxation, stating that the ways and means committee has voted a 12 and a half percent increase in income tax. The tax also is applied to cooperatives and there will be an increase in the excess profits tax, she said. The FBI has 100 racket squads ready to go after income tax evaders of all kinds and curtail the big time gamblers of the nation, her report stated.

Richard Morrill Jr. reported that the turkey dinner on May 29 cleared $87.50, and a motion was passed that the money be applied to the Grange building fund

J. C. Gordon, Santa Clara County Pomona Master, acquired 10 subscriptions during the evening for the National Grange Monthly.

A. J. Emery will have charge of the Pomona Grange booth at the county fair and he has asked for volunteer assistance.

Mrs Anne Gardner of the County Fair committee asked each granger to grow an exhibit for the fair.

A graduation announcement from Melvin Blue was read to the members. Blue, the gate keeper, is the youngest member of Orchard City Grange. He graduates today from Campbell High School.

Coming Events

Under coming events were the following announcements:: July 4 picnic at Matasci Ranch near Almaden School, with Orchard City invited by Almaden Grange to participate; Pomona Grange picnic second Sunday in August at Blackberry Farm near Cupertino, announced by J. C. Gordon.

Pomona Home Economics meeting and potluck at 12:30 p.m on June 25 in Morgan Hill, announced by Leone Keesling; Orchard City Grange pie social during first meeting in July; youth talent show at Morgan Hill, August 4 at 7:30 p. m., and rummage sale August 24 and 25 at Campbell IOOF hall.

A leaflet entitled, "Your Vanishing Dolars," published by the Agriculture Center, 5144 Delmar Boulevard, St. Louis, Mo., was read to the members. The message called for restoration of sound money, stating that the Congress and administration must strike at the cause of inflation and unsound dollars Herschel Newsom, master of the National Grange, told the Banking and Currency committee of the U. S. Senate, "Our freedom is now threatened not only by international Communism, but from within by the force of inflation."

Price controls are mere attacks on the symptoms of inflation and unsound dollars, the leaflet stated.

Dollar Decline

It quoted a University of Minnesota economist who pointed out that a life insurance policy which would have provided $1000 of purchasing power in 1946, now yields less than $660. Series E bonds have suffered a serious decline in value, too.

Prompt and definite action is needed in Washington, the leaftlet reported, to assure: a sound monetary and fiscal policy; a sound tax program coupled with strict government and personal economy; adequate but flexible credit controls; encouragement of individual savings; a longer basic work week, and prohibition of wage and price controls except when accompanied by a strict rationing program.

Refreshments were served in the banquet hall by the committee composed of Mr and Mrs. Lambert Skillman, Mr. and Mrs. W. W. Johnson and Ruth Livingston. The meeting was closed with community singing.

Eighth Graders Have Party At Feasel Home

Eighth graders of Miss Dorothy Wilkinson's class at Campbell Grammar School had a graduation party at the home of Mr. and Mrs. Joseph Feasel, 201 Rincon Avenue. Bud Feasel was host to fellow class members.

A guest at the gathering was Mrs. Louise Tordt, Fremont High School teacher and former member of the faculty of Campbell Union High School.

The 14 eighth graders present played games and enjoyed refreshments. As the West's towns have grown, we've pushed farther out into the "country" with new telephones.

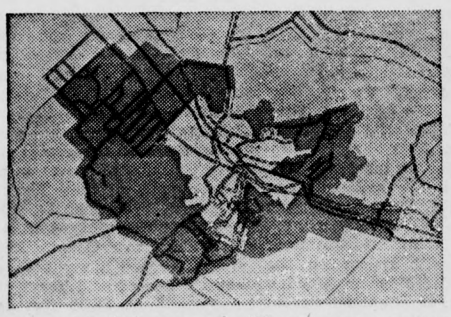
A FEW MONTHS AGO THIS WAS AN OPEN FIELD

In most towns you can telephone over a wider area than ever



1. In this little map of a Western town you can quickly see one of the results of our tremendous telephone expansion program: The light part shows the area of the community served by the local telephone exchange, at basic local rates, before we began to build following World War Two. The shaded area shows what we've added in just the past five years to keep up with the growing city. In many places the added area is larger than the old.

3. All this newly built-up calling area—which adds greatly to the number of telephones you can call—is another boost in the value of the service for local telephone users. You can call anywhere in these newly built-up areas at rates which are a real bargain today. For in spite of inflation, in spite of higher costs of providing service, telephone rates on the average have gone up less than half as much as the cost of living.

2. New equipment in amazing amounts has been put to work to increase the number of telephones you can call in most towns. For adding each new line means providing a separate pair of wires back to the central office. And the distance we must run these wires increases as we push out from the main part of town. Expensive, yes. In fact, our expansion program in the last five years is the largest ever executed by an operating public utility.

ROGER LINCOLN HAS GOTTEN CLEOME'S DRESS FROM THE WEAVER A SPLIT-SECOND BEFORE KRONER'S HENCHMEN GET THERE. LATER, AT THE F.B.I. CODE ROOM...
GIVE US A COUPLE OF HOURS AND WE'LL READ WHAT'S WOVEN INTO THIS DRESS LIKE A POSTCARD FROM GRANDMA! CAN YOU WAIT, ROGER?
- CAN'T, MAC! GOT A DATE WITH THE GAL WHO WOVE OUR SECRETS INTO THAT DRESS!

..FLASH!.. THE FIRE THAT DESTROYED A TAILOR SHOP ON 23RD AND MAIN HAS THE POLICE BAFFLED AS TO ITS ORIGIN..
-ANOTHER SCORE TO SETTLE WITH KRONER..

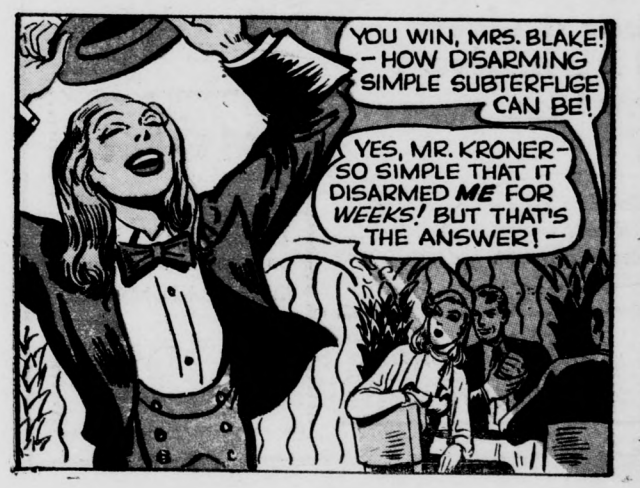
I SEE YOU'RE EMPTY-HANDED, ROGER! KRONER WAS SO CONCERNED OVER MISS BAHREIN'S DRESS THAT HE SENT HIS OWN MEN AFTER IT - DID THEY GET THE DRESS?
I WOULDN'T KNOW, CYNTHIA - ALL THAT WAS LEFT OF THE SHOP WHEN I GOT THERE WAS A PILE OF ASHES!
A FIRE? WHAT A PITY!

THEY SEEM RELIEVED - WHAT DID HAPPEN, ROGER?
KRONER'S MEN SET THE WEAVER'S SHOP ON FIRE TO DESTROY THE DRESS, BUT I GOT THERE FIRST - THE F.B.I.'S WORKING ON THE WOVEN-IN CODE NOW - SSSHH...

MR. LINCOLN, I JUST CAN'T THINK ANYMORE - BUT I'M SURE I'VE SEEN YOU BEFORE!
YOU HAVE, MISS BAHREIN - ON THE SHIP YOU CAME IN ON. I WAS LOOKING FOR A COLONEL KOCH -

OH? ARE YOU SOME SORT OF DETECTIVE? HOW FASCINATING! DID YOU FIND HIM?
NO - WE KNOW HIS CRIMES - BUT NOT HIS IDENTITY. BUT WE'LL GET HIM!
TAXI!

COLONEL KOCH'S TALENT FOR EVADING CAPTURE IS SUBTLE. I APPRECIATE TALENT I CAN SEE - LIKE THAT YOUNG MAN'S DANCING!
YOU'RE IN FOR A SURPRISE, MR. KRONER I'LL WAGER HE'S A SHE!



YOU WIN, MRS. BLAKE! - HOW DISARMING SIMPLE SUBTERFUGE CAN BE!
YES, MR. KRONER - SO SIMPLE THAT IT DISARMED ME FOR WEEKS! BUT THAT'S THE ANSWER! -

OUR OLD FRIEND, COLONEL KOCH, WAS SAFE AS LONG AS WE HUNTED FOR THE MAN! BUT CYNTHIA RECOGNIZED SOMEONE ELSE IN THE PHOTOGRAPH OUR AGENT SENT US - YOU, MISS BAHREIN - YOU ARE THE INFAMOUS COLONEL..

YOUNG HIGH SCHOOL STUDENT NOW ON FOOTBALL TEAM

Delmar B. Callaway, Box 151, Church Point, Louisiana, says maybe he isn't the best football center in the country, but he'll bet his pocket-knife that there isn't a boy his age who has got the energy he has. Yes, Delmar now feels great! . . . and he says he has HADACOL to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Niacin and Iron and decided to give it to him.

Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, $1.25, or the large family or economy size, $3.50, and if HADACOL doesn't help you, you will get your money back.

BRUCE GOULD TO ATTEND YMCA CONVENTION

What do American youths on the teen-age level think about the threat of war, their economic roles in the future and the degree of authority parents should exert upon their lives?

These and many other pressing questions will be taken up by one teen-age boy from Campbell when he sits as a delegate at the sixth national Hi-Y Congress which opens in Cleveland, Ohio, June 21 The Hi-Y delegate from Campbell is Bruce Gould, 24 S. Milton.

Together with more than a thousand other youngsters from all parts of the country, the 3 Hi-Y delegates from this county also will attend the seven plenary sessions of the International Y.M.C.A. contennial convention which is being held in Cleveland over the same period.

Early meetings of the Hi-Y Congress will be held at Euclid Avenue Baptist Church and Fenn College, both in Cleveland. Other meetings, extending from June 24 to June 26, will be conducted at Oberlni College, Oberlin, Ohio The latter sessions will deal mainly with organizational matters.

Originating in Chapman, Kansas, in 1890, the Hi-Y movement is now represented by 5,695 Senior Hi-Y and 4,167 Junior Hi-Y Clubs. In addition, close to 3,000 Junior Tri-Y's and Senior Tri-Y's serve the girl membership.

More than 700,000 boys and girls 18 or under are now members of the Y.M.C.A., the greatest number in that age bracket in the 100-year history of the "Y" movement.

CAMPBELL REGISTER

Many of their colleagues will be envying MRS. FRANCES COUSINS, secretary at Campbell Elementary School, and MRS DORIS L. HUBBARD, teacher at San Tomas school, come Sunday, June 24. The two will leave by train for five weeks of travel through the United States. First stop will be Los Angeles, then the Grand Canyon, Albuquerque, Chicago, New York, Washington, D. C., Niagara, Buffalo, Minneapolis, Calgary, Canada, Banff, Lake Louise, Vancouver, Seattle, Portland, and back to Campbell. During the tour they will spend three days with relatives of Mrs. Hubbard in Washington, and four days with other relatives of the teacher in Minneapolis They will spend a day in Tuscola, Ill., with Mrs. M. C. Saunders, sister-in-law of Mrs. Rex Saunders of Campbell. The pair hopes to see Mr. and Mrs Jack Schad, son and daughter-in-law of Mrs. Cecile Schad of Campbell while in Washington.

HARRY WILLARD RAY, 36, of Valley Forge, Penn., and MAGDALENE MORRISON, 30, Pheonixville, Penn., were married in a civil ceremony Wednesday at 2:30 p.m. by Justice of the Peace Martin S. Walsh of Campbell The ceremony was performed in the office of Judge Walsh. Witnesses were Frances A. Allen and Doris Jansen.

The tickets for the Cradle club Tea, June 22, are almost gone, according to MRS. GEORGE JENOTT SR. The event will be an outstanding one, given for the benefit of the Booth Memorial hospital.

The San Jose Cradle club, founded by Mesdames MARK RIFENBARK and CLARENCE FRANZ, has done outstanding work for the hospital.

STATE CAPITOL NEWSLETTER

By CHARLES S. GUBSER
Assemblyman, 29th District
June 4, 1951

For some time we have all had the feeling that we were sitting on a keg of dynamite. During this past week it exploded.

Assemblyman Gordon Fleury of Sacramento County served notice of a motion to amend the standing rules of the Assembly. This amendment would call for an elected Rules Committee composed of three Democrats and three Republicans and for an elected Speaker of the House. This committee in turn would have the exclusive power of appointing all committees, both standing and interim.

In the past the Speaker has possessed this exclusive power. Though at first glance this change may not appear as particularly significant, it is generally conceded to be a change that will completely revolutionize state government if carried out.

It is charged by proponents of the amendment that the true power of lobbyists is in their asserted ability to influence the Speaker and cause him to choose the membership of committees according to their wishes. The proponents further argue that with such "packed" committees, a great deal of desirable legislation is killed before the Assembly itself has had an opportunity to vote on the issue. The proponents argue that this appointive power is too significant and too important to be vested in the hands of one man, and that more fairly constituted committees will result from dispersing that power in the hands of a seven-man committe.

Obviously, this is a drastic change and could serve to strip the present Rules committee of a great deal of power. The latter committee at present controls the legislative Process committee which in turn controls the expenditures for interim committees which operate between sessions. Interim committees have been the subject of a major attack in some quarters and have been pointed to as "gravy trains" designed for the benefit of a few. Such a comment, though probably true in some cases, cannot be universally accepted since a great many committees have been responsible for major legislation which is for the benefit of the entire state.

The Assembly proper, it seems, will not be given the chance to vote on the Veterans Bonus proposition since it was killed in the committee on ways and means by a vote of 17 to 4. The lobbyist for the American Legion testified against the bill, stating that the last state legion convention had voted overwhelmingly against it.

The expected hearing on the latest Hot Cargo bill originally slated for last Thursday was postponed until Thursday night, before the assembly committee on industrial relations. Since the committee is primarily dominated by labor, it is not expected that the bill will be sent to the floor.

Water District

Senator Thompson's bill creating a county wide water district for the purpose of importing outside water to Santa Clara county will shortly be before the assembly. This measure has created extreme controversy amongst interested groups in the county. Both Senator Thompson and I have consistently asked for comments on the proposed measure and to date have received very few. I would again like to ask that all interested citizens secure copies of the bill at their local newspaper offices and forward their comments to me, care of the Assembly Office Building, State Capitol, Sacramento 14, California.

Church School Pupils To Give Special Program

A special program will be presented by children of the Congregational Church school on Sunday afternoon, June 17, at 2:30 p. m. The program wil consist of the regular work done by the children in the school, singing and special musical numbers by Margie Martin and Arthur Sutton.

All parents of the children are especially invited to attend. Refreshments will be served at the close of the program.

Mr. Howard Smith is superintendent of the church school.

SERVICE NOTES

Pfc. William Holland of the 49th Division, National Guard, who has been stationed at division headquarters in Alameda, left June 8, for special training at Fort Slocum, New York, Chaplain's and Assistant Chaplain's school. He will be at the New York center for four or five weeks. Pfc. Holland, son of Mr. and Mrs. George Holland, 49 Gilman Avenue, Campbell, recently finished his freshman year at the University of Santa Clara. At the division headquarters in Alameda he was assistant to Chaplain Coupland.

Pfc. H. Y. Rice

Private first class Herman Y. Rice, son of Mr. and Mrs. H. Y. Rice of Campbell, arrived home on leave May 30 after completing his basic training course at the U.S. Marine base in San Diego. He left last week for Jacksonville, Florida, to begin pilot training.

Absence of occupation is not rest; a mind quite vacant is a mind distressed. —Cowper

Sport Scenes

By HAL BORCHERT

By way of introduction we'd like to give you Jerry Thomas' "swan song" which he gave us before leaving the sports desk.

CURTAIN CALL. . . Many believe that the most difficult writing assignment is humor writing. We beg to differ, if you please To us, a letter of farewell and goodbye is far more tedious to put into print. . . But here goes.

For the past year, we have enjoyed putting out the Press' sports page because to us sports writing is as much fun as fishing is to many of you anglers, no lie. Like all good things our connection with this page had to cease some time. And the time has come. The next issue will find one Hal Borchert, capable sports writer, taking over from us.

Usually it's an easy task to quit one job and go elsewhere in your chosen profession. We say usually because you folks are the exception. If we are as fortunate to come into contact with people half as nice as you in our future work then we will meet the second nicest bunch of folks on this earth.

To mention all of you who have aided us in turning out the page would take a special issue. And to leave one name out by unintentional oversight would be catastrophic, so far as we're concerned.

From here at the office on Dillon Avenue to the high school on the other side of town, we met, talked with, and liked every person to whom we were introduced and worked with. To these and you readers we express our sincere gratitude and thanks for everything, big or small."

Thanks, Jerry, and the new reporter knows he will enjoy the community and only hopes he can do as good a job as you did

Jerry receives his Bacheor of Arts degree in Journalism from San Jose State college tomorrow. He tells us that he plans to go to southern California for awhile and then maybe try his luck in the east.

Cy Penhall, the barber, tells us of a successful fishing trip which he, his wife and Mr. and Mrs. John Penhall recently completed.

The group hiked the rugged country surrounding Lost Lake and were rewarded for their ruggedness by catching their limits of trout. Some of the fish were 15½ inches long and on down.

Cy reports that the fish were biting on worms only and gave no heed to man-made lures. He also tells us that he saw catfish up in the mountain country. Who put them in or when—nobody seems to know.

Junior Morgan, director of the Junior Softball league, announced that Doc Arends of the Orchard City Lumber company has donated one of the trophies for the Junior League tournament which will be held on July 10 and 12.

Cel Gereva, speaking for the Rotary club, wants to know when the Kiwanis club is going to kick through with the dinner treat as a result of last week's softball game when the Rotary whipped the Kiwanians 15-3. Cel says the boys are getting mighty hungry.

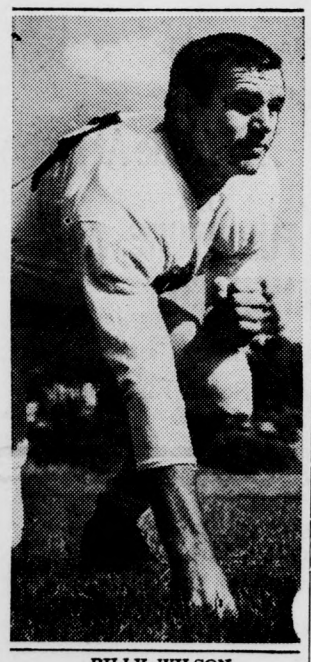
The Rotary has also informed us that if and when the Lions club gets to feeling lucky they might come around for a softball game. We'll be happy to take them on, say the Rotarians.

Recently two fellows, Tom Castaldo and Tony Lopes, took a survey of Northern California track teams in order to rank them by the point system The reviewers took the top ten men in each division and awarded points ranging from 10 for top spot to one for the last man.

Campbell high rated 28th according to the poll. The survey was taken early in the season, however and some of the fast times run by the Bucs were not recorded. Had Rod Kolze's 4:38.6 mile and Stu Imbrie's 4:43 been included, Campbell would have placed higher possibly about 20th. Both these times were run in the Santa Clara Valley athletic league meet.

Billy Wilson, Former Buc Football Star, Signs Pro Contract

Billy "Snuffy" Wilson, former Campbell, three-sport great now attending San Jose State college, became the first Buc grid star to



BILLY WILSON
End

enter the professional ranks as he signed a contract with the San Francisco '49ers this week.

The ex-Buc, who lettered in basketball, track, and football in high school, was drafted by the National League team last season when he was only a junior. Coach Lawrence T. "Buck" Shaw considers the landing of Wilson a great catch. "We kind of caught the other clubs napping," he chuckled, "Wilson would have been one of the biggest prizes at last January's meeting."

In three years of varsity campaigning, the 6'-3" flanker caught a total of 66 passes for 948 yards, good for 10 touchdowns. Last season, the Snuffer nabbed one-third of his team's total yardage via the air. His best year, from a total passes caught angle, was in 1949 when he snagged 24.

While at Campbell, Wilson made All-SCVAL honors in his senior year. In track, he set a hop, step, and jump record that stood for six years, being broken by a few inches last month.

He played one year of college freshman ball upon graduation from Campbell before 18 months of navy service interrupted him.

While playing basketball for the Spartans, Wilson earned three letters. He was regarded as the team's outstanding hustler and rebounder during the NCAA tourney in Kansas City.

His senior year found a new sport added. He captured the intra-college novice heavyweight wrestling championship by pinning his opponent within a minute of the first period.

His biggest grid booster is Spartan Coach Bob Bronzan who "can't see how Wilson will miss with the pros".

Bronzan said this week, "If passes are anywhere near him, he'll grab them. He has a great pair of hands and is one of the fastest college ends I've ever seen. On top of that, he is a ruthless blocker, a vicious defensive player, and had the fastest offensive charge on our team."

Block C's, Stars Awarded To Bucs

Campbell high coaches recently announced names of block letter winners and star winners for the spring sports.

Wrestling star winners are: Dan Duarte, Andre David, Dick Farnham and Pete Vossler. Blocks, Syl Barton, Howard Porter, Sam Lopez, Abe Lopez, Duain Lynes, Alex Stepovich, Sam Tashima and Hugh Cox, manager.

Tennis star winners are: Tom Barton, Dave Baxter, Jim Heron, Olin Shanrock. Blocks, Trent Barton, Dick Jordan, Ray Mason, and Jim Shepardson; Gil Schaper, manager.

Baseball star winners are: John Perata, Duane Burrow, Nick Tersigni, John Walters, Jack Bray, John Walters, Saul Estrade, and Dave Baxter. Blocks, Stan Gazay, Duane Holm, Larry Periera, Larry Sulton, Tom Barton, Frank Mantia, Len McCully, and John Lopina.

Track, A division, star earners are: Rod Kolze, John Hoover, Charles McBain, Stu Imbrie, and Jack Bray. Blocks, Tony Musladin, Dan Livesay, Howard Kaeding, and Wayne Rozema.

B Division star awards went to Syl Barton. Blocks, Dennis Dunne, Marvin Allen, Manuel Macias, and Bob Schockley.

C. division star earners are Ike Stevens, Bob Pentzer, and Bob Yamashita. Blocks, Ed Foglia, Gary Hoover, and Early Duarte.

D division Blocks went to Ron Arnaud, Van Gorkham, Torru Itow, Oran Atkisson, Gilbert Manriquez, Dick Takaha, and Jack Suhama.

Manager awards went to Einar Nielson and Gary MacDonald.

Cambrian School Drum Majorettes were a marching unit in the San Jose Flag Day parade held last evening.

Kaeding Sets Two Marks; Kolze Cops Mile, But Bucs Miss SCVAL Track Title

By JOE ERROTA

Hurdler Howard Kaeding won both hurdles in record-wrecking time but Campbell high school lost the Santa Clara Valley Athletic League track and field crown by a narrow margin for the second year in a row. Santa Clara high won the title, ending a three-year reign by Fremont's Indians.

Coach Junior Morgan's Bucs had good first place strength but lacked the depth to match the Panthers' surprise win. The locals tied host Fremont for second place. Mentor "Rip" Miller's Santa Clarans tallied 62½ points, Campbell and Fremont scored 53 each.

Fremont won the Class C and D titles, Santa Clara won the Class D championship by winning the relay.

New Records

Three conference marks were broken. Kaeding setting two and Larry Lindsay of Los Gatos setting the other in the 440. Kaeding breezed to a 15.3 high hurdles triumph and came back to annex lower timbers in 21.0. The old marks were held by Buster Burgos and Chuck Gonzales, both of Santa Clara.

Another outstanding performance was recorded in the first track event on the varsity program. Campbell's Rod Kolze finished full of run in the mile, clicking off a brilliant 4:38.6. Ralph Navarrette of Santa Clara held on for the place spot over Stu Imrie, Campbell's most improved trackman.

Imrie's approximate time for the four laps was 4:43, his best ever performance.

Campbell Point Winners

Kaeding—firsts in both hurdles.
Kolze—first in mile run.
Imrie—third in mile.
Livesay—second in 440 and 220.
Chuck Hoover—third in the 100.
Sonny Musladin—fourth in 100.
Jack Bray—fifth in high jump.
alists failed to place. Bray set step and jump; fourth in broad jump.

Relay team—finished third behind Fremont and Santa Clara.

The Bucs lost their chance for the crown when their two 880 finalists failed to place. Bray set the pace in the early going but faded with 220 yards left. The slim Buc half-miler was obviously tired after competing in the high jump and hop, step and jump.

Campbell point grabbers in the Class B division were Marv Allen, Dennis Dunne, Dan Macias and Bob Shockley. Allen grabbed a fourth in the century and third in the furlong. Dunne took fifth in the 100 and fourth in the broad jump.

Macias stayed too far off the early pace and had to be satisfied with a fifth in the 880. Shockley hit one hurdle but grabbed a fifth place spot in the high hurdles.

Ed Foglia, Campbell Class C star, took a third in the 50-yard dash and second in a close 100. Maruyama, Mountain View's sensational Class C century rambler, was clocked at 10.6.

COACHES TO LEARN HOW MERMEN LIVE

With the new swimming pool scheduled for completion at Campbell high this fall, a trio of Buc coaches, who will act as instructors and life guards, leave next Friday for a 10-day course in water safety.

Coaches Bert Robinson, Jim Muir and Junior Morgan will depart by auto for Twin Echoes, Idaho, where the Red Cross is conducting swimming and instruction classes.

The three were assured that they will be involved in plenty of work before they receive their Senior Life Saving certificates and instructors' permit.

The 10-day session will include both classroom and pool instruction. It has been estimated that approximately six hours a day will be spent in the water.

Danny Hurls No-Hit-No-Run Game

Highlight of this week's softbal games in the Senior loop was a no hit-no run hurling performance by Pitcher Danny of the VFW over the Junior Chamber of Commerce. Danny struck out 11 and issued six passes in registering the shut out. His teammates bats were not so quiet however as the VFW defeated the Junior Chamber of Commerce 16-0.

The VFW scored 12 runs in the second frame to completely run away with the contest.

The Junior Chamber was also victim of the heavy hitting Campbell Hardware store as the latter defeated them 14-6 last week. Ira Ellison went the distance for the winners.

In the other game last week Calado defeated Netops 6-4. Garcia and Mayse were mound opponents in this game and each gave up only two bingles.

The cameraman scored all their runs in the first two frames and coasted. Hopkins and Rerieth got the two Calado safetis.

Schedule for next week: Monday, VFW vs. Jr. Oddfellows, Campbell Hardware vs. Calado. Wednesday, Independents vs. Netops; Junior Chamber of Commerce gets a bye.

College Track Race

Pete Ragus, former Campbell high all-sport star now co-captain of the Abilene Christian college track team, concludes a highly successful cinder career tomorrow as his club performs in the Midwest Intercollegiate Track and Field Championships at Emporia, Kansas.

He will lead a field of seven trackmen from A. C. C. and figures prominently in his school's fight for the team championship.

The likeable ex-Buc has a best time of 48.5 in the 440-yard dash and is a member of the undefeated mile relay team which holds records at most of the relay meets over the country.

Campbell Grammar School Wins, 12-11

Campbell Grammar school scored seven runs in the last frame to defeat the Cambrian Market 12-11 in a junior league game last week.

The Market boys came up with a four run rally of their own in the final stanza but the rally fell short.

Winning pitcher was Eppie. Leading the winner's attack at the plate was shortstop Larsen who banged out two hits in two trips.

Shortfielder Larsen led the Market's attack with a single and a home run. First baseman Cuttrell collected two doubles for the loser's cause.

Cupertino Y. C. ran wild over the Cambrian Market in the other junior game. The winners scored seven runs in the second frame and five in the third. Martinez was on the mound for the Cupertino nine and was credited with the win.

Games scheduled for next week: Tuesday, Campbell Hardware vs. Los Gatos Grammar school; Campbell Grammar school vs. Saratoga Recreation center. Thursday, Burbank recreation center vs. Cupertino youth center; Campbell Hardware vs. Saratoga Recreation center.

Here's 180 Horsepower...
on regular grade gas—Now!

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

But it's even more interesting to hear today's real life, *on-the-highway* talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy . . . and adds its own new *mechanical octanes* to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet . . . but also rugged and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydraguide *power steering** . . . plus the amazing new rough-road stability of Oriflow shock absorbers . . . plus Water-Proof Ignition, and Vacu-Ease Chrysler Cyclebonded super-brakes . . . then come see what we mean when we say the car of *your* tomorrow is right here for you to drive . . . *today, and for years to come!*

**Hydraguide regular on Crown Imperials, optional at extra cost on other Imperial and New Yorker models.*

180 HORSEPOWER Here's the new *Hemispherical* Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower
finest engine ever put in an automobile

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of this newspaper.

To the People of Campbell:

As you know, the Campbell Volunteer Fire Department is now in its new quarters and is currently soliciting funds which will be used to furnish the meeting room.

We are doing this by selling 50c tickets on a 17-inch console TV set. Many of our local merchants have cooperated most generously by purchasing a block of tickets or by out-and-out donations. Others have not seen fit to give at all.

We urge those who have not purchased tickets or donated to do so as soon as possible in order that the fire house may be completely furnished by July 15 when the dedication ceremonies will take place.

We hope all the merchants will participate in this as a community project, for the new fire house will be as much a reflection of this community as any building inside its limits.

To those of you who have already donated—thanks.

Tickets may be purchased from Jones Service, Star Family Shoe Store, Humphrey and Zimmer Shell Service, or any member of the fire department.

Give a boost to the volunteers who protect YOU 24 hours a day, seven days a week.

The latest list of contributors to the furniture fund includes D. A McQueen, Humphrey and Zimmer Shell Service, Miller and Morton (Attorneys-at-law), Campbell Furniture and Appliance Store, Dave Ribble Stationers, Star Family Shoe Store and M&M Ice Cream.

Sincerely,
Campbell Fire Department.

Gentlemen:

Copy of clipping from your publication of Friday, April 6, 1951, which comments on the quality production of Hunt Foods, Inc., makes mention concerning Fruit Cocktail reading as follows:

"Canning of fruit cocktail in this country was originated in Campbell at the local plant".

Permit us to call your attention to the fact that this is an error, as fruit cocktail was not even known to the market when the Ainsley plant was run under the Ainsley name. The fact is that Ernest Barron, my original associate, was the one who originated fruit salad while he was acting as sales manager for the J. C. Ainsley company, and that was a long time before the Hunt organization possessed their present holdings.

Canned fruit cocktail was not introduced on the market until the early 30's, and then only in a minor way, and it was our firm, the Barron-Gray Packing company, who originated and were the first to put it on the market.

If you will look up some of the details from authorities who are acquainted with this product, you will find that the statement made in your paper is erroneous, and I would appreciate a correction of this error in some one of your future publications.

Yours very truly,
H. E. GRAY, Barron-Gray Packing Company.

Measles Increase Here Despite County Decline

For the fourth consecutive week the number of cases of measles has declined throughout Santa Clara county. There were 74 cases reported for the week of June 2, compared with 122 the previous week. During the peak week of the recent epidemic, 317 cases were reported.

In spite of the general decline in cases of measles, the number of cases reported in Campbell increased from 7 May 26 week to 16 for the week of June 2.

The total number of cases of communicable diseases in the county also declined. The total reported this week was 118, compared to 150 last week.
